Dear Sirs,

Re: Appreciation.

World-Wide General Trade Agencies (Pte) Ltd, (WWGTA) a Queens Group Company are our authorised agents in Sri Lanka.

We are very satisfied with the good services received from WWGTA and recognising our business in Sri Lanka, which had been neglected.

Hunslet Engine Company UK will continue to support WWGTA to enable us to provide a better and more reliable service for Hunslet products in Sri Lanka.

We will continue to secure and receive the good efforts made by WWGTA in Sri Lanka.

Yours faithfully

T. L Clare
General Manager
