RE: APPRECIATION

Dear Sir,

Our Association with World-Wide General Trade Agencies (Pte) Ltd.,(WWGTA), a Queens Group Company in Sri Lanka have shown good results.

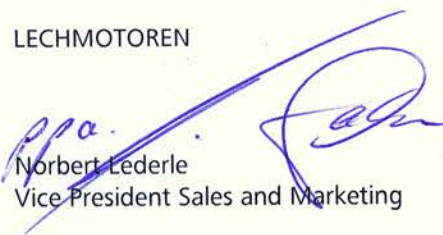

Our specialized Generators have been introduced to Sri Lanka Railways for existing applications and also with their efforts our Generators have been introduced to other brands of Locomotives used by Sri Lanka Railways.

We are happy with the good efforts of WWGTA together with their loyalty and dedication to promote Lechmotoren products in Sri Lanka.

We will continue to support the good efforts of WWGTA in Sri Lanka and also sincerely appreciate their efforts and results.

Yours sincerely,

LECHMOTOREN
