Re: APPRECIATION

Dear Sir,

The Association of OTC Industrial Service GmbH, with World-Wide General Trade Agencies (Pte) Ltd. (WWGTA), goes long back to the late 1980's and to the close association of the founder of WWGTA.

We are proud to state that OTC are glad to have continued the strong relationship with WWGTA in Sri Lanka to develop the business to the current magnitude.

We must state that WWGTA have been innovative in their business approach to explore new business opportunities for OTC diverting from the traditional ways of doing business, this has made Sri Lanka No. 1 in OTC's export markets.

We value the dedication, the innovation and the integrity of WWGTA which has contributed to our many successes in Sri Lanka and growing the business to what it is today.

WWGTA is no doubt a strong partner for OTC Industrial Service GmbH, in Sri Lanka.

Yours sincerely

OTC INDUSTRIAL SERVICE GMBH
