Colombo 15, Ceylon

Dear Mr. Motha:

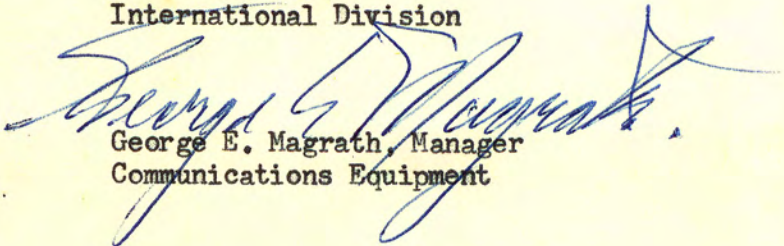

Reference is made to your letter dated November twenty-fifth and the return of the signed copies of the distributorship agreement covering Hallicrafters communications equipment.

We are enclosing the original for your files. We are also enclosing literature descriptive of the current line of Hallicrafters equipment as well as a net price sheet. Should you desire additional quantities of the literature and you will advise us as to your requirements, we will be pleased to forward these to you.

We trust the foregoing is satisfactory and look forward to a mutually profitable relationship.

Very truly yours,

RAYTHEON COMPANY

Gentlemen:

In reply to your letter of March 21 we are enclosing a photocopy of the agreement covering the consignment of spare parts with Raytheon. This is an unsigned copy of the agreement, but is an actual copy of the agreement between our two firms. We hope that this will meet your needs. If not, please let us know and we will endeavor to secure a copy of the signed agreement from our Law Department.

Very truly yours,

RAYTHEON COMPANY
