FRANCE

Bezons, 24th of June, 2014

O/Ref: CT 14_045

Object: Letter of Appreciation to Queens Radio Marine Electronics (Pte) Ltd

To whom it may concern,

This letter is to confirm that SIGNALIS has delivered the first Vessel Traffic Management System (VTMS) of Sri Lanka to the port of Colombo together with our value added industrial partner Queens Radio Marine Electronics (Pte) Ltd, a member of the Queens Group.

It is worthwhile to mention that for this project Queens Radio Marine Electronics (Pte) Ltd has provided installation and engineering services for both hardware (radar, AIS, Radio, IT, CCTV) and software systems. We acknowledge the professionalism and the technical competences of Queens Radio Marine Electronics (Pte) Ltd which played a significant part in the success of this landmark project.

Yours sincerely,

Philippe DELETANG
Project Manager
